SHEPPERTON MARINA WASTE MANAGEMENT PLAN

Who is responsible for the waste on-site?

Shepperton Marina Ltd provide and is responsible for the disposal of waste on site but it is up to the user to segregate the waste properly and ensure the waste is disposed of correctly in the bins provided.

What are the Marina's objectives?

Shepperton Marina's aim is to reduce the amount of waste generated on-site and to ensure all waste is disposed of in the correct manner, and to recycle as much as we can. This can be achieved through providing the correct bins and educating our customers through signage and information boards.

Waste types that can be disposed of / recycled at the Marina

- Paper
- Metal
- Glass
- Clothes
- Waste oil
- Plastic
- WEEE (electrical items)
- Card board
- General waste
- Hazardous waste

Shepperton Marina Ltd recycle between 50% - 75% of its overall waste and our target is to bring that figure up to 75% or higher.

Waste & Recycling bins located onsite

Mixed Recycling Bins

Paper, tin cans, aerosols and food containers can be placed into the mixed recycling bins which is then collected by Spelthorne borough council weekly, on Friday.

Glass recycling Bins

Glass can be placed into the 240ltr glass recycling bins available in the Waste and recycling centre and Basin C waste area. These are emptied by Spelthorne Council weekly, on Friday.

Clothes Bin

Clothes can be recycled on-site by placing them into the 'clothes bin' located in the main carpark. This is then collected by Spelthorne borough council and donated to charity as and when it becomes full.

Mixed Metal Bin

There is a metal bin located on-site for the recycling of mixed metals. Information of how to dispose of metal through Shepperton Marina can be found inside the Marina office.

WEEE Bin (electrical items)

Only WEEE items produced by Shepperton Marina Ltd can be disposed of on-site which is then collected by Spelthorne Council upon request. It is the responsibility of all other offices and berth holders to dispose of WEEE items responsibly off-site.

General Waste

General waste is to go in the general waste bins only, this is then collected by Spelthorne Council once a week, every Thursday morning.

Hazardous waste

Used Paint Cans

Used paint cans can be disposed of by placing them in the hazardous waste bin located in the recycling point. Due to it being hazardous waste this bin is kept locked and the key can be obtained from the marina office.

Waste Oil

Waste oil can be disposed of in the Main car park at Shepperton Marina. The waste oil bin is kept locked for environmental management purposes and the key can be issued to berth holders & tenants only upon request and returned to the marina office once finished with.

Oil Rag Bin

Oil rags can be disposed of in the Main car park at Shepperton Marina. The oil rag bin is kept locked for environmental management purposes and the key can be issued to berth holders & tenants only upon request and returned to the marina office once finished with.

Waste Diesel

Waste diesel can be disposed of in the Main car park at Shepperton Marina. The waste diesel bin is kept locked for environmental management purposes and the key can be issued to berth holders & tenants only upon request and returned to the marina office once finished with.

Diesel Rags

Diesel rags can be disposed of in the Main car park at Shepperton Marina. The diesel rag bin is kept locked for environmental management purposes and the key can be issued to berth holders & tenants only upon request and returned to the marina office once finished with.

*Safety Notice

When handling all waste the correct PPE must be worn and if you are in any doubt you should contact the Marina office.
